

Flared Steps

A compact and contemporary appearance is dynamically achieved with tight-to-the-trac Flared Step fixtures. The enclosed lamp design entirely hides the lamp from view. Front relamping is a key feature of the Flared Step series.

Flared Gimbals

A compact and contemporary appearance is dynamically achieved with the tight-to-the-trac Flared Gimbal series. The semi-exposed lamp design gives the fixture a lighter, open aesthetic, similar to traditional gimbal ring fixtures but with a little extra flare. Front relamping is a key feature of the Flared Gimbal series.
