**Technical Specifications**

**Performance**

**Description:**

The ceiling backbox is perfect for adding sensors or making splices to the GLED™ family of products. Surface mounts over any shape box and covers unsightly stains or gaps. Five (1/2") conduit entries enable wiring directly from the back or through the sides using surface conduit.

**Compliance**

**UL Listed:**

Suitable for wet locations. Covered Ceiling Mount Only. When used with RAB GLED fixtures.

**Construction**

**Housing:**

Precision die-cast aluminum

**Mounting:**

Attaches securely to GLED with tool-less slide lock mechanism. Surface mounts on ceiling.

**Plugs:**

Die cast aluminum with clean threads and gasket for weatherproof seal

**Gaskets:**

High-temperature silicone

**Finish:**

Formulated for high durability and long-lasting color

**Electrical**

**Wiring:**

Five holes. One on the back of the box, four on the sides for using surface conduit.

**Other**

**Buy American Act Compliance:**

RAB values USA manufacturing! Upon request, RAB may be able to manufacture this product to be compliant with the Buy American Act (BAA). Please contact customer service to request a quote for the product to be made BAA compliant.
