

Date:

Tape Light Silicone Clips Kit.

Technical drawings of various cable assemblies with dimensions:

- Top left: A cable assembly with a braided shield. Dimensions: 9 1/2" (total length), 1 1/8" (connector length), 6 3/8" (cable length), 1 3/8" (connector length), 3/2" (connector diameter).
- Middle left: A cable assembly with a braided shield. Dimensions: 1/8" (connector length), 3/8" (connector diameter).
- Bottom left: A cable assembly with a braided shield. Dimensions: 1" (total length), 3/8" (connector diameter).
- Top right: A cable assembly with a braided shield. Dimensions: 3/8" (connector length), 3/8" (connector diameter).
- Middle right: A cable assembly with a braided shield. Dimensions: 1 3/8" (total length), 3/8" (connector length), 3/8" (connector diameter).
- Bottom right: A cable assembly with a braided shield. Dimensions: 3/8" (connector length), 3/8" (connector diameter).
- Far right: A cable assembly with a braided shield. Dimensions: 3/8" (connector length), 3/8" (connector diameter).
- Bottom left: A cable assembly with a braided shield. Dimensions: 3/8" (connector length), 3/8" (connector diameter).
- Bottom middle: A cable assembly with a braided shield. Dimensions: 7 3/8" (total length), 1" (connector length), 3/8" (connector diameter).
- Bottom right: A cable assembly with a braided shield. Dimensions: 3/8" (connector length), 3/8" (connector diameter).

Includes 1 PCB-PCB connector  
1 PCB-Wire connector + 1 end cap  
1 PCB-Wire-PCB connector
